Suchitra, Hyderabad

CAREER SUMMARY

To work in an industry in a challenging environment which demands my problem-solving skills to achieve new scales of success and adapt myself in different fields, substantially contributing to the development of the organization with impressive performance.

TECHNICAL PROFICIENCY

- **Development Tools:** Microsoft Visual Studio 2019, Eclipse
- **Languages/Framework:** MySQL, JAVA, C, Python, HTML, CSS, JavaScript, PHP, Bootstrap
- **Management Tools:** JIRA, GIT
- **Development Methodologies:** Agile/Scrum, Waterfall

PROJECTS

❖ Project 1: An Efficient File Hierarchy Attribute-Based Encryption Scheme In Cloud Computing

Objective : This project aims to provide data security and privacy.

Languages Used: Java, HTML, CSS, JavaScript, MySQL

Concepts Involved: AES algorithm.

Responsibilities:

- This project stores the data of patients and also diseases.
- In this project 4 modules are created.
- The data of any patient or disease cannot be accessed without permission.
- Using key sent to mail a person access to the details of person or disease this helps to secure the data.

❖ Project 2: Handwritten Digits Classification using CNN

Objective : To build a model which can identify handwritten digits.

Languages /Frameworks Used: Python, Keras, Tensorflow, Numpy.

Concepts Involved: Convolution layer, MaxPooling, Activation method-relu, AdamOptimizer

Responsibilities:

- This project creates a model which takes data as input.
- Here we train and test the data.
- The model process the data and identify the handwritten number accurately.

❖ Project 3: E-commerce clothing website

Objective: To build a responsive website

Languages Used: HTML, CSS, JavaScript

TRAINING AND CERTIFICATION

1. C & DataStructures from SSSIT
2. Java from SSSIT
3. AI Project Completion by 1Stop
4. Agile Methodology Virtual Experience program completion
5. SQL intermediate from HackerRank
6. Web Development from Udemy

EXTRA-CURRICULAR ACTIVITIES:

- I have been selected as an Ambassador from 1Stop to lead their training courses for Narsimha Reddy Engineering college.
- Played throwball and other sets of sports in inter-school competitions and also in college where in I have secured a winner position.
